GREEN STATUS/PASSPORT

FAQ

Concept of a Green Passport will be fully enforced from December 1, 2021. Individuals will be required the green passport to enter outdoor and indoor spaces of food facilities, restaurants, cafes, bars as well as movie theaters, opera, theaters, museums, concert halls, casinos and gambling halls, spa and fitness centers, hotels and ski lifts.

⚠ Requirement to present a Green Passport at the entry will apply to individuals from the age of 18 years.

WHO CAN GET GREEN STATUS/PASSPORT?
INDIVIDUALS WILL RECEIVE A GREEN STATUS/PASSPORT IF THEY ARE:

- ✅ Fully vaccinated
- ✅ Have taken a PCR test within the 72 hours OR
- ✅ Antigen test within the 24 hours OR
- ✅ Recovered from COVID-19

WHEN WILL A PERSON RECEIVE A "GREEN STATUS"?

- ✅ After the second dose of vaccination OR
- ✅ After receiving a negative PCR or Antigen test (officially uploaded by the clinic/laboratory to the portal) OR
- ✅ 14 days after receiving positive test for Covid-19

WHAT IS A GREEN PASSPORT?

- ✅ **"CovidPas Georgia"** – QR code received after registration in application OR
- ✅ **"covidpass.moh.gov.ge"** - QR code received after registration at the website OR
- ✅ Digital or paper format document with QR code you received in the vaccination centers, clinics and Public Service Halls of Georgia OR
- ✅ Digital or paper format of an official document with QR code authorised by the government of the EU member state and other countries which are integrated in the system of "EU Digital COVID Certificate"

NOTE:

⚠ With today's decisions, 51 countries are connected to the EU Digital COVID Certificate system.
For more information, please follow the link: https://ec.europa.eu/

Citizens of Georgia or citizens of foreign countries who had a non-EU vaccination certificate and/or test result should download "CovidPass" app or register at the website covidpass.moh.gov.ge after crossing the border.
Georgian or foreign citizens are able to use EU-vaccination certificates and/or test results to enter various facilities.
